

WANGFOONG

WINE SUPPLY CHAIN

Black Dog Creek 2008 Sauvignon Blanc

BLACK DOG CREEK *can be found in north eastern Victoria just south of the Buller family home. We have chosen the name Black Dog Creek for our range of premium table wines which are sourced from Victoria's King Valley.*

WINE MAKERS COMMENTS

Sauvignon Blanc is one of the nine recognized 'classic' grape varieties and the cool climate of Victoria's King Valley is an ideal place to grow it. The moderate Autumn temperatures of the region ripen the grapes slowly and maximize the typical flavors of tropical fruits and that distinct touch of gooseberry tartness.

FOOD SUGGESTIONS

A perfect 'stand alone' wine, or partner for hors d'oeuvre, seafood and creamy pasta dishes.

CELLARING RECOMMENDATIONS

Made to be enjoyed without the need for extended cellaring.

TASTING NOTES

Color/appearance: Pale straw gold.

Aroma/bouquet: Powerful aromas of tropical fruits and gooseberries.

Palate: Upfront flavors of pineapple and passion fruit have a distinct gooseberry overlay. Juicy acidity of limes. Full flavored and well balanced. Long finish.

ANALYSIS

Alcohol: 14.0% TA: 8.96 g/l pH: 3.2

2/F., & 3/F., Harbour Commercial Building, 122 Connaught Road Central, Hong Kong.
